## Keep the Steps in the Castro

We have just a few weeks left in the first phase of our six-month campaign to Keep the Steps in the Castro, and so far we have raised over \$88,000! Still, we have a long ways to go to raise the downpayment to buy our building, which is currently listed for sale at \$1.5M.

We are still hoping for an "angel" donor to make it possible for us to stay in our home of 27 years, and as we move into the next phase of our campaign, we plan to place a greater focus on grants, major donors, and memberships.

There are several levels of membership available, with cool benefit packages and monthly payment plans. Please visit [www.castrocountryclub.org](http://www.castrocountryclub.org), and click on "donate now!"

We offer our deep gratitude to CCC members\* who have joined in the last month:
