CCC volunteers do a lot more than make coffee and sweep the floor. They make the Castro Country Club a welcoming and safe place for people in all stages of recovery, offering their experience, strength and hope to everyone who wants to chat.

"The CCC volunteers deserve the highest praise... they have quite honestly saved my life... I'd be lost some days without you guys, so thank you!"

- Emmett P.

Join us Saturday May 7 at noon for our Volunteer Appreciation Weenie Roast! If you like, you can fill out a volunteer application form, or sign up to volunteer at one of the upcoming street fairs!
